## UX-UI Designer/ Frontend Designer

Creative UX Designer with experience in designing and developing real-world applications.

My passion is expanding worldwide by interacting with real-life use cases and get valuable insights for my design decisions.

Having applied knowledge in web front-end development, I understand systems and their limitations and can help to smooth the process between conceptualization and implementation.

## EXPERIENCE

2018-Present ○ **UX DESIGNER**

**Short term contract at St-Art B.V company**

- User and market Research
- Competitor Analysis
- Information Architecture (IA) of the app
- Prototyping (low-mid-high Fidelity)

2018-2019 ○ **Front end experience**

**Frontend developer for Careerfoundry**

- Develop a responsive portfolio website with HTML5, CSS, JS by using Atom and Github
- Experienced in JQuery script and media Queries

2012-2018 ○ **Freelancer Graphic Designer**

**Logo designer & Book Illustrator**

- Logo design accompanied with Brand Book
- Typography savvy in digital products
- Illustrations and infographics
- Offline designs for the marketing campaign

## EDUCATION

2018-2019 ○ **UX Design / Front end developer**

**Careerfoundry GmbH**
